£500,000 Needed for Victims in Gaza

Still reeling from months of blockade and lacking access to the most basic food and fuel supplies, the people of Gaza have once again come under attack.

Around 400 people have been killed and thousands injured, many of them civilians – yet Israel has warned that the relentless onslaught may continue for "weeks" (29/12/2008)

Families are living in fear and scrambling for cover and hospitals are unable to cope with any more casualties. The morgues too are full.

Muslim Hands has been working in Palestine for over a decade and our permanent office in Gaza has been working tirelessly to assist the victims of this war.

MH donors have already helped raise **£200,000** for the purchase of vital food and medical equipment (now in Gaza) including;
- Intensive Care Unit (Al-Shifa Hospital)
- Critical Care Ambulance

Much more help is needed...

* **7500 families need food** (£50 per family food parcel)

* **Life saving medicine and emergency surgical appliances** for Gaza's clinics and hospitals
