

How your donations helped

PALESTINE

Muslim Hands works in Jerusalem, Ramallah, Al-Khalil, Bethlehem and Jenin. Aside from long-term relief work MH continues to distribute family food parcels and is currently building a large orphans' school in Jerusalem.

Food parcel distribution, Jenin, Palestine

New homes, Assam, India

Winter blankets for flood victims

Fuel distribution, Chechnya

AFGHANISTAN

- New school built in Kandahar
- Wheelchairs distributed to disabled Afghans in Quetta
- Building bus stops in Kandahar to assist travellers and trade

BANGLADESH & ASSAM

Floods and 180Km/hour winds devastated villages in Bangladesh and Assam, India leaving 200 dead. Thousands were left homeless and lost their belongings.

- 32 family homes built in Assam
- Winter blankets distributed in Bangladesh and Assam
- Clothing distributed in Assam

CHECHNYA

Winters are extremely harsh in Chechnya and surrounding regions. Poor families were given winter fuel to keep warm.

- MH also operates 6 schools for Chechen refugees in Georgia

CRISIS HOTSPOTS the work continues...

It seems that the world's poorest people suffer the most devastating disasters most often. Last year was no different, with flash floods and hurricanes causing devastation and suffering in Bangladesh and India, and the crisis in Palestine is going from bad to worse.

Muslim Hands Worldwide Emergency Response Teams have aimed to provide relief at the grass-root level through the provision of food parcels, clothing and the building of new homes for the victims and sufferers.
