

ONE-TO-ONE SPONSORSHIP

Worldwide, the gap between rich and poor, is growing. Some believe this gap is permanent, but at MH we believe that long-term partnerships between the rich and the poor, focused on education and development are a sure way of reducing poverty.

Muslim Hands One to One Sponsorship programmes allow you to make that partnership with a needy person or family in over 20 of the world's poorest countries. Whether you are providing financial support to the elderly person or education to an orphan or providing a teacher in some distant rural area, MH will ensure that you know who you are sponsoring,

where they are and how well they are doing - in order that you may share the joy of watching real change and improvement in their lives.
